JULIE WILLIAMS DESIGN

Kitchen, Bath & Space Planning

Julie Williams Design is an award-winning firm that designs beautiful kitchens and tackles challenging rooms throughout the home. We focus on space planning, considering traffic flow, furniture placement and efficient use of space. Once a solid plan is in place, we turn our energies toward helping you select the right products and materials for your project. Mindful of your budget, we turn out beautiful rooms that truly make you feel at home.

An accomplished designer with more than 20 years of experience, Julie Williams is a Certified Kitchen and Bath Designer (CKD, CBD) and Certified Green Building Professional (CGBP). She has a natural gift for incorporating a client's style and wish list into the final plan with intuitive skill.

At Julie Williams Design, our warm and friendly staff will put years of experience and knowledge to work for you. We have a comprehensive and organized system that ensures our projects run smoothly and are completed in a timely manner. A home remodel is a serious investment, one that we carefully manage in order to achieve the best use of your resources. Whether your taste is traditional, contemporary or transitional, we will help you create ideal design solutions for your home.

We have an inviting showroom located in Novato, CA. For directions and hours, visit www.juliewilliamsdesign.com.
